- 05/08/2024
- [Past version of 1.2 before 05/08/2024](#)
- [Future version of 1.2 after 01/01/2022](#)

2

Level of Application

Application of requirements on an individual basis

2.1

An institution that is not a parent undertaking or a subsidiary or included in the consolidation pursuant to Article 18 of the [CRR](#) shall comply with this Part on an individual basis.

[Note: rule 2.1 sets out an equivalent provision to Article 6(1) and the first subparagraph of Article 6(3) of the [CRR](#) that apply to this Part]

- 01/01/2022
- [Future version of 2.1 after 01/01/2027](#)

2.2

The institutions referred to in Article 6(1a) of the [CRR](#) and institutions that are material subsidiaries of non-UK G-SIIs and are not resolution entities or subsidiaries of a UK parent institution shall comply with [Article 437a](#) and point (h) of [Article 447](#) on an individual basis.

[Note: rule 2.2 sets out an equivalent provision to the second subparagraph of Article 6(3) of the [CRR](#) that applies to this Part]

- 04/11/2024
- [Past version of 2.2 before 04/11/2024](#)
- [Future version of 2.2 after 01/01/2027](#)

2.3

Large subsidiaries of UK parent institutions, UK parent financial holding companies or UK parent mixed financial holding companies and large subsidiaries of parent undertakings established in a third country shall disclose the information specified in [Articles 437](#), [438](#), [440](#), [442](#), [450](#), [451](#), [451a](#) and [453](#) on an individual basis or on a sub-consolidated basis.

[Note: rule 2.3 corresponds to the second subparagraph of Article 13(1) of the [CRR](#) as it applied immediately before revocation by the [Treasury](#) and sets out an equivalent provision to the second subparagraph of Article 13(3) of the [CRR](#) that applies to this Part]

- 01/01/2022
- [Future version of 2.3 after 01/01/2027](#)

Application of requirements on a consolidated basis

2.4

A UK parent institution shall comply with this Part on the basis of its consolidated situation.

[Note: rule 2.4 corresponds to the first subparagraph of Article 13(1) of the [CRR](#) as it applied immediately before revocation by the [Treasury](#)]

- 01/01/2022
- [Future version of 2.4 after 01/01/2027](#)

2.5

[Rule 2.4](#) shall not apply to a [CRR consolidation entity](#) or a resolution entity where it is included in an equivalent disclosure on a consolidated basis provided by a parent undertaking established in a third country.

[Note: rule 2.5 sets out an equivalent provision to the first subparagraph of Article 13(3) of the [CRR](#) that applies to this Part]

- 01/01/2022
- [Future version of 2.5 after 01/01/2027](#)

2.6

An institution identified as a resolution entity that is a G-SII or that is part of a G-SII shall comply with [Article 437a](#) and point (h) of [Article 447](#) on the basis of the consolidated situation of its resolution group.

[Note: rule 2.6 corresponds to Article 13(2) of the [CRR](#) as it applied immediately before revocation by the [Treasury](#)]

- 01/01/2022
- [Future version of 2.6 after 01/01/2027](#)

2.7

For the purposes of applying this Part on a consolidated basis, the terms "institution" and "UK parent institution" shall include a [CRR consolidation entity](#) (if it would not otherwise have been included).

[Note: rule 2.7 sets out an equivalent provision to Article 11(2) of the [CRR](#) that applies to this Part]

- 01/01/2022
- [Future version of 2.7 after 01/01/2027](#)

2.8

The expression "consolidated situation" applies for the purposes of this Part as it does for the purposes of Parts Two and Three of the [CRR](#).

[Note: the term "consolidated situation" is defined in Article 4(1)(47) of the [CRR](#).]

- 01/01/2022
- [Future version of 2.8 after 01/01/2027](#)

Application of requirements on a sub-consolidated basis

2.9

An institution that is required to comply with Parts Two and Three of the [CRR](#) on a sub-consolidated basis shall comply with this Part on the same basis.

[Note: rule 2.9 sets out an equivalent provision to Article 11(6) of the [CRR](#) that applies to this Part]

- 01/01/2022
- [Future version of 2.9 after 01/01/2027](#)

Application of leverage disclosure requirements to [LREQ firms](#)

2.10

An [LREQ firm](#) shall comply with:

1. (a) the [standard leverage disclosure requirements](#) on the [LREQ basis](#) and any other basis on which this Part applies to the [LREQ firm](#) under rules [2.1](#) to [2.9](#);
2. (b) the [additional leverage disclosure requirements](#) on the [LREQ basis](#) only.

- 01/01/2022

3

Organisational Structure and Control Mechanisms

3.1

A [CRR consolidation entity](#) and an institution shall set up a proper organisational structure and appropriate internal control mechanisms in order to ensure that the data required for consolidation for the purposes of this Part are duly processed and forwarded.

[Note: rule 3.1 sets out an equivalent provision to the second sentence of Article 11(1) of the [CRR](#) that applies to this Part]

- 01/01/2022

3.2

A [CRR consolidation entity](#) and an institution shall ensure that a subsidiary not subject to this Part implements arrangements, processes and mechanisms to ensure proper consolidation for the purposes of this Part.

[Note: rule 3.2 sets out an equivalent provision to the third sentence of Article 11(1) of the [CRR](#) that applies to this Part]

- 01/01/2022

4

Disclosure (Part Eight CRR)

Title I General Principles

Article 431 Disclosure Requirements and Policies

1.

Institutions shall publicly disclose the information referred to in [Titles II](#) and [III](#) in accordance with the provisions laid down in this Title, subject to the exceptions referred to in [Article 432](#).

- 01/01/2022

2.

Institutions that have been granted permission by the competent authorities under Part Three for the instruments and methodologies

referred to in [Title III](#) of this Part shall publicly disclose the information laid down therein.

- 01/01/2022

3.

The management body or senior management shall adopt formal policies to comply with the disclosure requirements laid down in this Part and put in place and maintain internal processes, systems and controls to verify that the institution's disclosures are appropriate and in compliance with the requirements laid down in this Part. At least one member of the management body or senior management shall attest in writing that the relevant institution has made the disclosures required under this Part in accordance with the formal policies and internal processes, systems and controls. The written attestation and the key elements of the institution's formal policies to comply with the disclosure requirements shall be included in the institutions' disclosures.

Information to be disclosed in accordance with this Part shall be subject to the same level of internal verification as that applicable to the management report included in the institution's financial report.

Institutions shall also have policies in place to verify that their disclosures convey their risk profile comprehensively to market participants. Where institutions find that the disclosures required under this Part do not convey the risk profile comprehensively to market participants, they shall publicly disclose information in addition to the information required to be disclosed under this Part. Nonetheless, institutions shall only be required to disclose information that is material and not proprietary or confidential in accordance with [Article 432](#).

- 01/01/2022

4.

All quantitative disclosures shall be accompanied by a qualitative narrative and any other supplementary information that may be necessary in order for the users of that information to understand the quantitative disclosures, noting in particular any significant change in any given

disclosure compared to the information contained in the previous disclosures.

- 01/01/2022

5.

Institutions shall, if requested, explain their rating decisions to SMEs and other corporate applicants for loans, providing an explanation in writing when asked. The administrative costs of the explanation shall be proportionate to the size of the loan.

[Note: This rule corresponds to Article 431 of the [CRR](#) as it applied immediately before revocation by the [Treasury](#)]

Article 432 Non-Material, Proprietary or Confidential Information

1.

With the exception of the disclosures laid down in point (c) of [Article 435\(2\)](#) and in [Articles 437](#) and [450](#), institutions may omit one or more of the disclosures listed in [Titles II](#) and [III](#) where the information provided by those disclosures is not regarded as material.

Information in disclosures shall be regarded as material where its omission or misstatement could change or influence the assessment or decision of a user of that information relying on it for the purpose of making economic decisions.

- 01/01/2022

2.

Institutions may also omit one or more items of information referred to in [Titles II](#) and [III](#) where those items include information that is regarded as

proprietary or confidential in accordance with this paragraph, except for the disclosures laid down in [Articles 437](#) and [450](#).

Information shall be regarded as proprietary to institutions where disclosing it publicly would undermine their competitive position. Proprietary information may include information on products or systems that would render the investments of institutions therein less valuable, if shared with competitors.

Information shall be regarded as confidential where the institutions are obliged by customers or other counterparty relationships to keep that information confidential.

- 01/01/2022

3.

In the exceptional cases referred to in [paragraph 2](#), the institution concerned shall state in its disclosures the fact that the specific items of information are not disclosed and the reason for not disclosing those items, and publish more general information about the subject matter of the disclosure requirement, except where that subject matter is, in itself, proprietary or confidential.

[Note: This rule corresponds to Article 432 of the [CRR](#) as it applied immediately before revocation by the [Treasury](#).]

Article 433 Frequency and Scope of Disclosures

Institutions shall publish the disclosures required under [Titles II](#) and [III](#) in the manner set out in [Articles 433a](#), [433b](#) and [433c](#).

Annual disclosures shall be published on the same date as the date on which institutions publish their financial statements or as soon as possible thereafter.

Semi-annual and quarterly disclosures shall be published on the same date as the date on which the institutions publish their financial reports for the corresponding period where applicable or as soon as possible thereafter.

Any delay between the date of publication of the disclosures required under this Part and the relevant financial statements shall be reasonable.

[Note: This rule corresponds to Article 433 of the [CRR](#) as it applied immediately before revocation by the [Treasury](#).]

 - [Past version of 1. before 01/01/2024](#)
 - [Future version of 1. after 01/01/2027](#)

2.

By way of derogation from [paragraph 1](#) of this Article, [SDDTs](#) that are [non-listed institutions](#) are not required to make the disclosures specified in that paragraph.

- 01/01/2024
- [Past version of 2. before 01/01/2024](#)

3.

In relation to any disclosure relating to a period ending on or before 30 June 2027, this Article as it stood immediately before 1 January 2024 applies, with the modification in [paragraph 4](#), to any institution that:

1. (a) was a small and non-complex institution immediately before 1 January 2024 and continues to be so; and

2. (b) is not an [SDDT](#) or an [SDDT consolidation entity](#).

- 01/01/2024

4.

The modification referred to in [paragraph 3](#) is that for any institution subject to that paragraph that is a [small CRR firm](#) the disclosure required in relation to the information referred to in [Article 450](#) is as follows:

1. (a) for a [non-listed institution](#), no disclosure is required;

Article 435 Disclosure of Risk Management Objectives and Policies

1.

Institutions shall disclose their risk management objectives and policies for each separate category of risk, including the risks referred to in this Title. These disclosures shall include:

1. (a) the strategies and processes to manage those categories of risks;
2. (b) the structure and organisation of the relevant risk management function including information on the basis of its authority, its powers and accountability in accordance with the institution's incorporation and governing documents;
3. (c) the scope and nature of risk reporting and measurement systems;
4. (d) the policies for hedging and mitigating risk, and the strategies and processes for monitoring the continuing effectiveness of hedges and mitigants;
5. (e) a declaration approved by the management body on the adequacy of risk management arrangements of the institution providing assurance that the risk management systems put in place are adequate with regard to the institution's profile and strategy;

6. (f) a concise risk statement approved by the management body succinctly describing the relevant institution's overall risk profile associated with the business strategy; that statement shall include:
 1. (i) key ratios and figures providing external stakeholders with a comprehensive view of the institution's management of risk, including how the risk profile of the institution interacts with the risk tolerance set by the management body;
 2. (ii) information on intragroup transactions and transactions with related parties that may have a material impact of the risk profile of the consolidated group.

- 01/01/2022

2.

Institutions shall disclose the following information regarding governance arrangements:

1. (a) the number of directorships held by members of the management body;
2. (b) the recruitment policy for the selection of members of the management body and their actual knowledge, skills and expertise;
3. (c) the policy on diversity with regard to selection of members of the management body, its objectives and any relevant targets set out in that policy, and the extent to which those objectives and targets have been achieved;
4. (d) whether or not the institution has set up a separate risk committee and the number of times the risk committee has met;
5. (e) the description of the information flow on risk to the management body.

Article 436 Disclosure of the Scope of Application

Institutions shall disclose the following information regarding the scope of application of the [CRR](#) as follows:

1. (a) the name of the institution to which the [CRR](#) applies;
2. (b) a reconciliation between the consolidated financial statements prepared in accordance with the applicable accounting framework and the consolidated financial statements prepared in accordance with the requirements on regulatory consolidation pursuant to Sections 2 and 3 of Title II of Part One; that reconciliation shall outline the differences between the accounting and regulatory scopes of consolidation and the legal entities included within the regulatory scope of consolidation where it differs from the accounting scope of consolidation; the outline of the legal entities included within the regulatory scope of consolidation shall describe the method of regulatory consolidation where it is different from the accounting consolidation method, whether those entities are fully or proportionally consolidated and whether the holdings in those legal entities are deducted from own funds;
3. (c) a breakdown of assets and liabilities of the consolidated financial statements prepared in accordance with the requirements on regulatory consolidation pursuant to Sections 2 and 3 of Title II of Part One, broken down by type of risks as referred to under this Part;
4. (d) a reconciliation identifying the main sources of differences between the carrying value amounts in the financial statements under the regulatory scope of consolidation as defined in Sections 2 and 3 of Title II of Part One, and the exposure amount used for regulatory purposes; that reconciliation shall be supplemented by qualitative information on those main sources of differences;
5. (e) for exposures from the trading book and the non-trading book that are adjusted in accordance with [Article 34](#) and [Article 105](#), a breakdown of the amounts of the constituent elements of an institution's prudent valuation adjustment, by type of risks, and the total of constituent elements separately for the trading book and non-trading book positions;

6. (f) any current or expected material practical or legal impediment to the prompt transfer of own funds or repayment of liabilities between the parent undertaking and its subsidiaries;
7. (g) the aggregate amount by which the actual own funds are less than required in all subsidiaries that are not included in the consolidation, and the name or names of those subsidiaries;
8. (h) where applicable, the circumstances under which use is made of the derogation referred to in [Article 7](#) or the individual consolidation method laid down in [Article 9](#).

1. (a) a summary of their approach to assessing the adequacy of their internal capital to support current and future activities;
2. (b) the amount of the additional own funds requirements based on the supervisory review and evaluation process (within the meaning of regulation 34A of the [Capital Requirements Regulations](#)) and its composition in terms of Common Equity Tier 1, additional Tier 1 and Tier 2 instruments;
3. (c) the result of the institution's internal capital adequacy assessment process;
4. (d) the total risk-weighted exposure amount and the corresponding total own funds requirement determined in accordance with Article 92, to be broken down by the different risk categories set out in Part Three and, where applicable, an explanation of the effect on the calculation of own funds and risk-weighted exposure amounts that results from applying capital floors and not deducting items from own funds;
5. (e) the on- and off-balance-sheet exposures, the risk-weighted exposure amounts and associated expected losses for each category of specialised lending referred to in Table 1 of Article 153(5) and the on- and off-balance-sheet exposures and risk-weighted exposure amounts for the categories of equity exposures set out in Article 155(2);
6. (f) the exposure value and the risk-weighted exposure amount of own funds instruments held in any insurance undertaking, reinsurance undertaking or [insurance holding company](#) that the institutions do

not deduct from their own funds in accordance with Article 49 when calculating their capital requirements on an individual, sub-consolidated and consolidated basis;

7. (g) the supplementary own funds requirement and the capital adequacy ratio of the financial conglomerate calculated in accordance with the provisions implementing Article 6 of Directive 2002/87/EC and Annex I to that Directive where method 1 or 2 set out in that Annex is applied;
8. (h) the variations in the risk-weighted exposure amounts of the current disclosure period compared to the immediately preceding disclosure period that result from the use of internal models, including an outline of the key drivers explaining those variations.

Article 439 Disclosure of Exposures to Counterparty Credit Risk

Institutions shall disclose the following information regarding their exposure to counterparty credit risk as referred to in Chapter 6 of Title II of Part Three:

1. (a) a description of the methodology used to assign internal capital and credit limits for counterparty credit exposures, including the methods to assign those limits to exposures to central counterparties;
2. (b) a description of policies related to guarantees and other credit risk mitigants, such as the policies for securing collateral and establishing credit reserves;
3. (c) a description of policies with respect to General Wrong-Way risk and Specific Wrong-Way risk as defined in Article 291;

4. (d) the amount of collateral the institution would have to provide if its credit rating were downgraded;
5. (e) for derivative transactions, the amount of segregated and unsegregated collateral received and posted per type of collateral; and for securities financing transactions, the total amount of collateral received and posted per type of collateral; provided in each case that:
 1. (i) institutions shall not disclose such amounts unless both the fair value of collateral posted in the form of debt securities and the fair value of collateral received in that form exceed GBP 125 billion; and
 2. (ii) for the purposes of subparagraph (i), institutions shall use the twelve month rolling arithmetic mean of the fair value of collateral received or posted (as the case may be) in the form of debt securities, determined using quarterly data calculated in a manner consistent with data reported under [Article 430\(g\)](#) and covering the twelve months immediately preceding the disclosure reference date;
3. (f) for derivative transactions, the exposure values before and after the effect of the credit risk mitigation as determined under the methods set out in Sections 3 to 6 of Chapter 6 of Title II of Part Three, whichever method is applicable, and the associated risk exposure amounts broken down by applicable method;
4. (g) for securities financing transactions, the exposure values before and after the effect of the credit risk mitigation as determined under the methods set out in Chapters 4 and 6 of Title II of Part Three, whichever method is used, and the associated risk exposure amounts broken down by applicable method;
5. (h) the exposure values after credit risk mitigation effects and the associated risk exposures for credit valuation adjustment capital charge, separately for each method as set out in Title VI of Part Three;
6. (i) the exposure value to central counterparties and the associated risk exposures within the scope of Section 9 of Chapter 6 of Title II of Part Three, separately for qualifying and non-qualifying central counterparties, and broken down by types of exposures;

7. (j) the notional amounts and fair value of credit derivative transactions; credit derivative transactions shall be broken down by product type; within each product type, credit derivative transactions shall be broken down further by credit protection bought and credit protection sold;
8. (k) the estimate of alpha where the institution has received the permission of the competent authorities to use its own estimate of alpha in accordance with Article 284(9);
9. (m) for institutions using the methods set out in Sections 4 to 5 of Chapter 6 of Title II Part Three, the size of their on- and off-balance-sheet derivative business as calculated in accordance with [Article 273a\(1\)](#) or [\(2\)](#), as applicable.

1. (a) the changes in the economic value of equity calculated under the following six supervisory shock scenarios referred to in [Rule 9.7](#) of the [ICAA Part](#) of the [PRA](#) Rulebook for the current and previous disclosure periods:
 1. (i) parallel shock up;
 2. (ii) parallel shock down;
 3. (iii) steepener shock (short rates down and long rates up);
 4. (iv) flattener shock (short rates up and long rates down);
 5. (v) short rates shock up;
 6. (vi) short rates shock down;
7. (b) the changes in the net interest income calculated under the following two supervisory shock scenarios referred to in [Rule 9.7](#) of the [ICAA Part](#) of the [PRA](#) Rulebook for the current and previous disclosure periods:
 8. (i) parallel shock up;
 9. (ii) parallel shock down;
10. (c) a description of key modelling and parametric assumptions used to calculate changes in the economic value of equity and in the net interest income required under points (a) and (b) of this paragraph;

11. (d) an explanation of the significance of the risk measures disclosed under points (a) and (b) of this paragraph and of any significant variations of those risk measures since the previous disclosure reference date;
12. (e) the description of how institutions define, measure, mitigate and control the interest rate risk of their non-trading book activities for the purposes of the competent authorities' review in accordance with [Chapter 9](#) of the [ICAA Part](#) of the [PRA](#) Rulebook, including:
 1. (i) a description of the specific risk measures that the institutions use to evaluate changes in their economic value of equity and in their net interest income;
 2. (ii) a description of the key modelling and parametric assumptions used in the institutions' internal measurement systems for the purpose of calculating changes in the economic value of equity and in net interest income, as required under points (a) and (b) of this paragraph, if those assumptions differ from those used for the purposes of [Chapter 9](#) of the [ICAA Part](#) of the [PRA](#) Rulebook or from those specified in [Annex XXXVIII](#) of [Chapter 6](#) of this [Disclosure \(CRR\) Part](#) of the [PRA](#) Rulebook, including the rationale for those differences;
 3. (iii) a description of the interest rate shock scenarios that institutions use to estimate the interest rate risk;
 4. (iv) the recognition of the effect of hedges against those interest rate risks, including internal hedges that meet the requirements laid down in [Article 106\(3\)](#);
 5. (v) an outline of how often the evaluation of the interest rate risk occurs;

Institutions calculating risk-weighted exposure amounts in accordance with Chapter 5 of Title II of Part Three or own funds requirements in accordance with Article 337 or 338 shall disclose the following information separately for their trading and non-trading book activities:

1. (a) a description of their securitisation and re-securitisation activities, including their risk management and investment objectives in connection with those activities, their role in securitisation and re-securitisation transactions, whether they use the simple, transparent and standardised securitisation (STS) as defined in point (10) of Article 242, and the extent to which they use securitisation transactions to transfer the credit risk of the securitised exposures to third parties with, where applicable, a separate description of their synthetic securitisation risk transfer policy;
2. (b) the type of risks they are exposed to in their securitisation and re-securitisation activities by level of seniority of the relevant securitisation positions providing a distinction between STS and non-STS positions and:
 1. (i) the risk retained in own-originated transactions;
 2. (ii) the risk incurred in relation to transactions originated by third parties;
3. (c) their approaches for calculating the risk-weighted exposure amounts that they apply to their securitisation activities, including the types of securitisation positions to which each approach applies and with a distinction between STS and non-STS positions;

4. (d) a list of SSPEs falling into any of the following categories, with a description of their types of exposures to those SSPEs, including derivative contracts:
 1. (i) SSPEs which acquire exposures originated by the institutions;
 2. (ii) SSPEs sponsored by the institutions;
 3. (iii) SSPEs and other legal entities for which the institutions provide securitisation-related services, such as advisory, asset servicing or management services;
 4. (iv) SSPEs included in the institutions' regulatory scope of consolidation;
5. (e) a list of any legal entities in relation to which the institutions have disclosed that they have provided support in accordance with Chapter 5 of Title II of Part Three;
6. (f) a list of legal entities affiliated with the institutions and that invest in securitisations originated by the institutions or in securitisation positions issued by SSPEs sponsored by the institutions;
7. (g) a summary of their accounting policies for securitisation activity, including where relevant a distinction between securitisation and re-securitisation positions;
8. (h) the names of the ECAs used for securitisations and the types of exposure for which each agency is used;
9. (i) where applicable, a description of the Internal Assessment Approach as set out in Chapter 5 of Title II of Part Three, including the structure of the internal assessment process and relation between internal assessment and external ratings of the relevant ECAI disclosed in accordance with point (h), the control mechanisms for the internal assessment process including discussion of independence, accountability, and internal assessment process review, the exposure types to which the internal assessment process is applied and the stress factors used for determining credit enhancement levels;
10. (j) separately for the trading book and the non-trading book, the carrying amount of securitisation exposures, including information on whether institutions have transferred significant credit risk in accordance with Articles 244 and 245, for which institutions act as originator, sponsor or investor, separately for traditional and

synthetic securitisations, and for STS and non-STS transactions and broken down by type of securitisation exposures;

11. (k) for the trading and the non-trading book activities, the following information:

1. (i) the aggregate amount of securitisation positions where institutions act as originator or sponsor and the associated risk-weighted assets and capital requirements by regulatory approaches, including exposures deducted from own funds or risk weighted at 1250%, broken down between traditional and synthetic securitisations and between securitisation and re-securitisation exposures, separately for STS and non-STS positions, and further broken down into a meaningful number of risk-weight or capital requirement bands and by approach used to calculate the capital requirements ;
2. (ii) the aggregate amount of securitisation positions where institutions act as investor and the associated risk-weighted assets and capital requirements by regulatory approaches, including exposures deducted from own funds or risk weighted at 1250%, broken down between traditional and synthetic securitisations, securitisation and re-securitisation positions, and STS and non-STS positions, and further broken down into a meaningful number of risk weight or capital requirement bands and by approach used to calculate the capital requirements;
3. (l) for exposures securitised by the institution, the amount of exposures in default and the amount of the specific credit risk adjustments made by the institution during the current period, both broken down by exposure type.

Article 452 Disclosure of the Use of the IRB Approach to Credit Risk

Institutions calculating the risk-weighted exposure amounts under the IRB Approach to credit risk shall disclose the following information:

1. (a) the competent authority's permission of the approach or approved transition;
2. (b) for each exposure class referred to in Article 147, the percentage of the total exposure value of each exposure class subject to the Standardised Approach laid down in Chapter 2 of Title II of Part Three or to the IRB Approach laid down in Chapter 3 of Title II of Part Three, as well as the part of each exposure class subject to a roll-out plan; where institutions have received permission to use own LGDs and conversion factors for the calculation of risk-weighted exposure amounts, they shall disclose separately the percentage of the total exposure value of each exposure class subject to that permission;
3. (c) the control mechanisms for rating systems at the different stages of model development, controls and changes, which shall include information on:
 1. (i) the relationship between the risk management function and the internal audit function;
 2. (ii) the rating system review;
 3. (iii) the procedure to ensure the independence of the function in charge of reviewing the models from the functions responsible for the development of the models;

4. (iv) the procedure to ensure the accountability of the functions in charge of developing and reviewing the models;
5. (d) the role of the functions involved in the development, approval and subsequent changes of the credit risk models;
6. (e) the scope and main content of the reporting related to credit risk models;
7. (f) a description of the internal ratings process by exposure class, including the number of key models used with respect to each portfolio and a brief discussion of the main differences between the models within the same portfolio, covering:
 1. (i) the definitions, methods and data for estimation and validation of PD, which shall include information on how PDs are estimated for low default portfolios, whether there are regulatory floors and the drivers for differences observed between PD and actual default rates at least for the last three periods;
 2. (ii) where applicable, the definitions, methods and data for estimation and validation of LGD, such as methods to calculate downturn LGD, how LGDs are estimated for low default portfolio and the time lapse between the default event and the closure of the exposure;
 3. (iii) where applicable, the definitions, methods and data for estimation and validation of conversion factors, including assumptions employed in the derivation of those variables;
4. (g) as applicable, the following information in relation to each exposure class referred to in Article 147:
 1. (i) their gross on-balance-sheet exposure;
 2. (ii) their off-balance-sheet exposure values prior to the relevant conversion factor;
 3. (iii) their exposure after applying the relevant conversion factor and credit risk mitigation;
 4. (iv) any model, parameter or input relevant for the understanding of the risk weighting and the resulting risk exposure amounts disclosed across a sufficient number of obligor grades (including default) to allow for a meaningful differentiation of credit risk;

5. (v) separately for those exposure classes in relation to which institutions have received permission to use own LGDs and conversion factors for the calculation of risk-weighted exposure amounts, and for exposures for which the institutions do not use such estimates, the values referred to in points (i) to (iv) subject to that permission;
6. (h institutions' estimates of PDs against the actual default rate for each exposure class over a longer period, with separate disclosure of the PD range, the external rating equivalent, the weighted average and arithmetic average PD, the number of obligors at the end of the previous year and of the year under review, the number of defaulted obligors, including the new defaulted obligors, and the annual average historical default rate.

For the purposes of point (b) of this Article, institutions shall use the exposure value as defined in Article 166.

2. (b) the core features of the policies and processes for eligible collateral evaluation and management;

3. (c) a description of the main types of collateral taken by the institution to mitigate credit risk;
4. (d) for guarantees and credit derivatives used as credit protection, the main types of guarantor and credit derivative counterparty and their creditworthiness used for the purpose of reducing capital requirements, excluding those used as part of synthetic securitisation structures;
5. (e) information about market or credit risk concentrations within the credit mitigation taken;
6. (f) for institutions calculating risk-weighted exposure amounts under the Standardised Approach or the IRB Approach, the total exposure value not covered by any eligible credit protection and the total exposure value covered by eligible credit protection after applying volatility adjustments; the disclosure set out in this point shall be made separately for loans and debt securities and including a breakdown of defaulted exposures;
7. (g) the corresponding conversion factor and the credit risk mitigation associated with the exposure and the incidence of credit risk mitigation techniques with and without substitution effect;
8. (h) for institutions calculating risk-weighted exposure amounts under the Standardised Approach, the on- and off-balance-sheet exposure value by exposure class before and after the application of conversion factors and any associated credit risk mitigation;
9. (i) for institutions calculating risk-weighted exposure amounts under the Standardised Approach, the risk-weighted exposure amount and the ratio between that risk-weighted exposure amount and the exposure value after applying the corresponding conversion factor and the credit risk mitigation associated with the exposure; the disclosure set out in this point shall be made separately for each exposure class;
10. (j) for institutions calculating risk-weighted exposure amounts under the IRB Approach, the risk-weighted exposure amount before and after recognition of the credit risk mitigation impact of credit derivatives; where institutions have received permission to use own LGDs and conversion factors for the calculation of risk-weighted exposure amounts, they shall make the disclosure set out in this point separately for the exposure classes subject to that permission.

Article 20 General Provisions

1.

Where [Article 432](#) of the [CRR](#) applies, the institution shall not be obliged to populate the relevant rows or columns of the templates and tables referred to in this [Chapter 5](#) of the [Disclosure \(CRR\) Part](#) of the [PRA](#) Rulebook. In this case the numbering of subsequent rows or columns shall not be altered.

- 01/01/2022

2.

Institutions shall make a clear note in the relevant template or table of the rows or columns not populated and of the reason of the omission of the disclosure.

- 01/01/2022

3.

The qualitative narrative and any other necessary supplementary information accompanying quantitative disclosures in accordance with [Article 431](#) of the [CRR](#) shall be adequately clear and comprehensive, enabling users of information to understand the quantitative disclosures and shall be placed next to the templates, which they describe.

- 01/01/2022

4.

Numerical values shall be presented as follows:

1. (a) quantitative monetary data shall be disclosed using a minimum precision equivalent to millions of units;
2. (b) quantitative data disclosed as 'Percentage' shall be expressed as per unit with a minimum precision equivalent to four decimals.

- 01/01/2022

5.

Institutions shall, in addition to the information disclosed in accordance with this [Chapter 5](#) of the [Disclosure \(CRR\) Part](#) of the [PRA](#) Rulebook, also provide the following information:

1. (a) disclosure reference date and reference period;
2. (b) reporting currency;
3. (c) name and where relevant, identifier of the disclosing institution (LEI);
4. (d) where relevant, accounting standard; and
5. (e) where relevant, scope of consolidation.
