2. (2) if the [firm](#) is a member of a [UK consolidation group](#), on a [UK consolidation group](#) basis,

unless it has [total assets](#) equal to or greater than £5 billion calculated on the basis of its [UK consolidation group](#) only, in which case it may report [data item](#) 11 only at the [UK consolidation group](#) level.

- 31/12/2025

5B.4

Where a [firm](#) ceases to meet the threshold in [5B.3](#) for at least two consecutive reporting periods, it is not required to report [data item 11](#) from the next reporting period.

- 31/12/2025

5B.5

Subject to [5B.6](#) and [5B.7](#), a [firm](#) must report [data item 12](#):

1. (1) on an individual basis if it meets both of the thresholds in (a) and (b) on an individual basis for two consecutive reporting periods; and
2. (2) on a [UK consolidation group](#) basis if it meets both of the thresholds at (a) and (b) on a [UK consolidation group](#) basis for two consecutive reporting periods;
3. with effect from the next reporting period.
4. The thresholds are:
 1. (a) the [firm](#) has a gross carrying amount of non-performing loans and advances which constitute non-performing exposures in excess of 5% of its total gross carrying amount of loans and advances in the two preceding and consecutive applicable reporting periods; and
 2. (b) the [firm](#) has [total assets](#) equal to or greater than £5 billion.

- 31/12/2025

5B.6

Where a [firm](#) meets the threshold in [5B.5\(a\)](#) (the level of non-performing exposures) when calculated on the basis of its [UK consolidation group](#) only, the [firm](#) may report [data item 12](#) at the [UK consolidation group](#) level only.

- 31/12/2025

5B.7

Where a [firm](#) ceases to meet at least one of the thresholds in [5B.5\(a\) or \(b\)](#):

1. (1) on an individual basis for two consecutive reporting periods, it is not required to submit [data item](#) 12 on an individual basis from the next reporting period;
2. (2) on a [UK consolidation group](#) basis for two consecutive reporting periods, it is not required to submit [data item](#) 12 on a [UK consolidation group](#) basis from the next reporting period.

Reduced FINREP Firms: IFRS Firms and Opt-in IFRS 9 Firms

5C.1

This Chapter only applies to a [reduced FINREP firm](#) (other than a [designated investment firm](#)), which is:

1. (1) an [IFRS firm](#); or
2. (2) an [Opt-in IFRS 9 firm](#).

- 31/12/2025

5C.2

Subject to [5D.2](#), a [firm](#) must also report [data items](#) 4 to 8:

1. (1) on an individual basis; or
2. (2) if the [firm](#) is a member of a [UK consolidation group](#), on a [UK consolidation group](#) basis.

- 31/12/2025

5C.3

Subject to [5D.2](#), a [firm](#) which is a [large IFRS firm](#) or a [large Opt-in IFRS 9 firm](#) must also report [data items](#) 9 to 10:

1. (1) on an individual basis; or

2. (2) if the [firm](#) is a [large IFRS firm](#) or a [large Opt-in IFRS 9 firm](#) on the basis of total assets calculated on the basis of the [UK consolidation group](#), on a [UK consolidation group](#) basis.

- 31/12/2025

5C.4

An [IFRS firm](#) which becomes a [large IFRS firm](#) or an [Opt-in IFRS 9 firm](#) which becomes a [large Opt-in IFRS 9 firm](#) during a reporting period must start reporting these [data items](#) from the following reporting period.

- 31/12/2025

5C.5

A [IFRS firm](#) which ceases to be a [large IFRS firm](#) or an [Opt-in IFRS 9 firm](#) which ceases to be a [large Opt-in IFRS 9 firm](#) on both an individual and a [UK consolidation group](#) basis for at least two consecutive reporting periods, is not required to report these items from the following reporting period.

- 31/12/2025

5D

Reduced FINREP Firms: Exemption from Individual Reporting

5D.1

This Chapter only applies to a [reduced FINREP firm](#) (other than a [designated investment firm](#)).

- 31/12/2025

5D.2

This rule applies in respect of the following templates: 4.3.1, 4.4.1, 5.1, 7.1, 12.1, 18, 20.4 and 20.7.1. Notwithstanding [Chapters 5B](#) to [5C](#), a [firm](#) that is not a [ring-fenced body](#) and is a member of a [UK consolidation](#)

[group](#) that does not include one or more [ring-fenced bodies](#) is not required to report [data items](#) 4 to 12 on an individual basis if:

1. (1) during the two immediately preceding reporting periods, the contribution of a single [firm](#) within the [UK consolidation group](#) ('Firm A') contributes more than 95% of the consolidated total assets in the [UK consolidation group](#) (where the contribution to consolidated total assets is calculated as Firm A's [total assets](#) less any assets resulting from intra-group transactions with the other members of the [UK consolidation group](#));
2. (2) a representative member of the [UK consolidation group](#) notifies the [PRA](#) within 30 [business days](#) of the end of the previous reporting period; and
3. (3) the [firm](#) reports [data items](#) 4 to 12 at the level of the [UK consolidation group](#).

- 31/12/2025

5D.3

The [firm](#) must assess the contribution of Firm A to the consolidated total assets in the [UK consolidation group](#) at the end of each reporting period. If, for a reporting period, Firm A ceases to contribute more than 95% of the consolidated total assets in the [UK consolidation group](#), a representative member of the [UK consolidation group](#) must notify the [PRA](#) of that fact within 30 [business days](#) of the end of that reporting period and the [firm](#) must report this [data item](#) on an individual basis (as from the following reporting period).

- 31/12/2025

5E

Reduced FINREP Firms: Ring-fenced Bodies

5E.1

This Chapter only applies to a [reduced FINREP firm](#) which is a [ring-fenced body](#).

- 31/12/2025

5E.2

Subject to [5E.3](#) and [5E.4](#), a [firm](#) that is a [ring-fenced body](#) and is part of a [sub-consolidation group](#) must also submit all applicable [data items](#) that it is required to submit under [Chapters 5B to 5D](#) on a [sub-consolidated basis](#).

- 31/12/2025

5E.3

A [ring-fenced body](#) is not required to submit Templates 18, 20.4, 20.7.1 or 23.3 in relation to [data items](#) 9 to 12 on an individual basis or on a [sub-consolidated basis](#), where the [ring-fenced body](#) has total assets of less than £5 billion on an individual basis, or on a [sub-consolidated basis](#). If the [ring-fenced body's](#) total assets are £5 billion or more on an individual basis, or on a [sub-consolidated basis](#), for at least two consecutive reporting periods, the [ring-fenced body](#) must report these [data items](#) from the following reporting period on an individual basis or on a [sub-consolidated basis](#), as the case may be. If the [ring-fenced body's](#) total assets on an individual basis or on a [sub-consolidated basis](#), as the case may be, are less than £5 billion for at least two consecutive reporting periods, the [ring-fenced body](#) is not required to report these [data items](#) from the following reporting period on an individual basis or on a [sub-consolidated basis](#), as the case may be.

- 31/12/2025

5E.4

A [ring-fenced body](#) which meets at least one of the thresholds in (a) and (b) of [5B.5](#) on a [sub-consolidated basis](#) for two consecutive reporting periods must report [data item](#) 12 on a [sub-consolidated basis](#) with effect from the following reporting period. A [ring-fenced body](#) which ceases to meet those thresholds on a [sub-consolidated basis](#) for two consecutive reporting periods is not required to report [data item](#) 12 on a [sub-consolidated basis](#) with effect from the next reporting period.
