Article 3: Currency

1\.

For the purposes of this Chapter and Chapter 2, 'reporting currency' shall be:

1. (a) for individual reporting, the currency used for the preparation of the firm's financial statements;
2. (b) for group reporting, the currency used for the preparation of the consolidated financial statements.

2\.

Data points with the data type 'monetary' must be reported in the reporting currency, which requires the conversion of any other currency into the reporting currency unless otherwise stated in this Chapter.

3\.

When expressing the value of any asset or liability denominated in a currency other than the reporting currency, the value must be converted into the reporting currency as if the conversion had taken place at the closing rate on the last day for which the appropriate rate is available in the reporting period to which the asset or liability relates.

4\.

1. (a) When expressing the value of any income or expense, the value must be converted into the reporting currency using such basis of conversion as that used for accounting purposes.
2. (b) When expressing the values of historical data denominated in a currency other than the reporting currency, such values related to previous reporting periods must be converted into the reporting currency based on the closing rate on the last day of the period being reported for which the conversion rate is available.

5\.

The conversion into the reporting currency must be calculated by applying the exchange rate from the same source as that used for the firm's financial statements in the case of individual reporting or for the consolidated financial statements in the case of group reporting.

 4. (d) information about material transactions during the reporting period with shareholders, with persons who exercise a significant influence on the firm, and with members of the management body and governing body;
2. (2) information regarding the fitness and propriety of persons who perform key functions or certification functions for the firm:
 1. (a) a description of the firm's specific requirements concerning skills, knowledge and expertise applicable to the persons who effectively run the firm or have other key functions; and
 2. (b) a description of the firm's process for assessing the fitness and the propriety of the persons who effectively run the firm or have other key functions;
3. (3) information regarding the risk management system of the firm:
 1. (a) a description of the firm's risk management system comprising strategies, processes and reporting procedures, and how it is able to effectively identify, measure, monitor, manage and report, on a continuous basis, the risks on an individual and aggregated level, to which the firm is or could be exposed; and
 2. (b) a description of how the risk management system, including the risk management function, are implemented and integrated into the organisational structure and decision-making processes of the firm;
4. (4) information regarding the process the firm has adopted to fulfil its obligation to conduct an ORSA:
 1. (a) a description of the process undertaken by the firm to fulfil its obligation to conduct an ORSA as part of its risk management system including how the ORSA is integrated into the organisational structure and decision-making processes of the firm;
 2. (b) a statement detailing how often the ORSA is reviewed and approved by the firm's governing body; and
 3. (c) a statement explaining how the firm has determined its own solvency needs given its risk profile and how its capital management activities and its risk management system interact with each other;
5. (5) information regarding the internal controls of the firm:
 1. (a) a description of the firm's internal controls; and
 2. (b) a description of how the compliance function is implemented;
6. (6) information regarding the internal audit function of the firm:
 1. (a) a description of how the firm's internal audit function is implemented; and

2. (b) a description of how the firm's internal audit function maintains its independence and objectivity from the activities it reviews;
7. (7) a description of how the actuarial function of the firm is implemented;
8. (8) a description of the outsourcing policy of the firm, the firm's outsourcing of any critical or important operational functions or activities, and the jurisdiction in which the service providers of such functions or activities are located;
9. (9) an assessment of the adequacy of the system of governance of the firm to the nature, scale and complexity of the risks inherent in its business; and
10. (10) any other material information, in a separate section, regarding the system of governance of the firm.

3.3C

For the purposes of 3.3(2), in respect of a firm's risk profile, and 3.3(3), the SFCR must include the following:

1. (1) Qualitative and quantitative information regarding the risk profile of the firm, in accordance with 3.3C(2) to 3.3C(6), separately for the following categories of risk:
 1. (a) underwriting risk;
 2. (b) market risk;
 3. (c) credit risk;
 4. (d) liquidity risk;
 5. (e) operational risk;
 6. (f) other material risks;
2. (2) Information regarding the risk exposure of the firm, including the exposure arising from off-balance sheet positions and the transfer of risk to special purpose vehicles:
 1. (a) a description of the measures used to assess these risks within the firm, including any material changes over the reporting period;
 2. (b) a description of the material risks that the firm is exposed to, including any material changes over the reporting period; and
 3. (c) a description of how assets have been invested in accordance with Investments 2 to 6 so that the risks mentioned in that Part, and their proper management, are addressed in that description;
3. (3) A description of the material risk concentrations to which the firm is exposed;
4. (4) A description of the techniques used for mitigating risks, and the processes for monitoring the continued effectiveness of these risk-mitigation techniques.
5. (5) With regard to risk sensitivity, a description of the methods used, the assumptions made and the outcome of stress testing and sensitivity analysis for material risks and events.
6. (6) Any other material information, in a separate section, regarding the risk profile of the firm.

3.4

For the purposes of 3.3(4), where a firm applies:

1. (1) a matching adjustment in accordance with the Matching Adjustment Part, the firm must include in the description:
 1. (a) a description of the matching adjustment and of the relevant portfolio of insurance or reinsurance obligations and relevant portfolio of assets to which the matching adjustment is applied;
 2. (b) a quantification of the impact of a change to zero of the matching adjustment on the firm's financial position including on the amount of its technical provisions, the SCR, the MCR, basic own funds and eligible own funds to cover the MCR and the SCR; and
 3. (c) the disclosure in respect of the firm's attestation required by Chapter 11 of the Matching Adjustment Part.
2. (2) a volatility adjustment in accordance with Technical Provisions 8, the firm must include in the description:
 1. (a) a statement on whether the volatility adjustment referred to in Technical Provisions 8 is used by the firm;

2. (b) quantification of the impact of a change to zero of the volatility adjustment on the firm's financial position, including on the amount of its technical provisions, the SCR, the MCR, basic own funds and eligible own funds to cover the MCR and the SCR.

[Note: Art. 51(1a) of the _Solvency II Directive_ and the _Solvency II Regulations_]

3.4A

For the purposes of 3.3(4), the SFCR must include the following:

1. (1) information regarding the valuation of the assets of the firm for solvency purposes:
 1. (a) separately for each material class of assets, the value of the assets, as well as a description of the bases, methods and main assumptions used for valuation for solvency purposes; and
 2. (b) separately for each material class of assets, a quantitative and qualitative explanation of any material differences between the bases, methods and main assumptions used by the firm for the valuation for solvency purposes and those used for its valuation in financial statements;
2. (2) information regarding the valuation of the technical provisions of the firm for solvency purposes:
 1. (a) separately for each material line of business, the value of technical provisions, including the amount of the best estimate and the risk margin, as well as a description of the bases, methods and main assumptions used for its valuation for solvency purposes;
 2. (b) a description of the level of uncertainty associated with the value of technical provisions;
 3. (c) separately for each material line of business, a quantitative and qualitative explanation of any material differences between the bases, methods and main assumptions used by the firm for the valuation for solvency purposes, and those used for their valuation in financial statements;
 4. (d) a statement on:
 1. (i) whether the relevant risk-free interest rate-term structure is applied and a quantification of the impact of not applying the risk-free interest rate transitional measure on the firm's financial position, including on the amount of technical provisions, the SCR, the MCR, the basic own funds and the amounts of eligible own funds to cover the MCR and the SCR; or
 2. (ii) whether TMTP is applied and a quantification of the impact of not applying TMTP on the firm's financial position, including on the amount of technical provisions, the SCR, MCR, the basic own funds and the amounts of eligible own funds to cover the MCR and the SCR;
 5. (e) a description of the following:
 1. (i) the recoverables from reinsurance contracts and special purpose vehicles; and
 2. (ii) any material changes in the relevant assumptions made in the calculation of technical provisions compared to the previous reporting period.
3. (3) information regarding the valuation of the other liabilities of the firm for solvency purposes:
 1. (a) separately for each material class of other liabilities the value of other liabilities as well as a description of the bases, methods and main assumptions used for their valuation for solvency purposes; and
 2. (b) separately for each material class of other liabilities, a quantitative and qualitative explanation of any material differences with the valuation bases, methods and main assumptions used by the firm for the valuation for solvency purposes and those used for their valuation in financial statements.
4. (4) information on the areas set out in Conditions Governing Business 11A in complying with the disclosure requirements of the firm as laid down in 3.4A(1) and 3.4A(3).
5. (5) any other material information, in a separate section, regarding the valuation of assets and liabilities for solvency purposes.

3.5

In addition to the requirements of 3.5A below, the disclosure required by 3.3(5)(a) must include the following:

1. (1) an analysis of any significant change in the structure, amount and quality of own funds of the firm as compared to the previous reporting period of the firm ;
2. (2) an explanation of any major differences in relation to the value of elements of own funds items in the financial statements of the firm ; and
3. (3) a brief description of the capital transferability of the own funds of the firm.

[Note: Art. 51(2) of the Solvency II Directive]

3.5A

For the purposes of 3.3(5)(a), the SFCR must include the following information regarding the own funds of the firm:

1. (1) information on the objectives, policies and processes employed by the firm for managing its own funds, including information on the time horizon used for business planning and on any material changes over the reporting period;
2. (2) separately for each tier, information on the structure, amount and quality of own funds at the end of the reporting period and at the end of the previous reporting period, including an analysis of the significant changes in each tier over the reporting period;
3. (3) the eligible own funds to cover the SCR, classified by tiers in accordance with Own Funds 3;
4. (4) the eligible own funds to cover the MCR, classified by tiers in accordance with Own Funds 3;
5. (5) a quantitative and qualitative explanation of any material differences between equity share capital as shown in the firm's financial statements and the excess of assets over liabilities as calculated for solvency purposes;
6. (6) for each basic own fund item that is subject to the transitional arrangements referred to in Transitional Measures 4.1 and 4.2, a description of the nature of the item and its amount
7. (7) for each material item of ancillary own funds, a description of the item, the amount of the ancillary own fund item and, where a method by which to determine the amount of the ancillary own fund item has been permitted in accordance with the firm's ancillary own fund permission, that method as well as the nature and the names of the counterparty or group of counterparties for the items referred to in Own Funds 2.3(1) to (4);
8. (8) a description of any item deducted from own funds and a brief description of any significant restriction affecting the availability and transferability of own funds within the firm;
9. (9) information regarding deferred taxes that shall contain as a minimum all of the following:
 1. (a) a description of the calculated amount of deferred tax assets without assessing their probable utilisation, and the extent to which those deferred tax assets have been recognised;
 2. (b) for deferred tax assets which have been recognised, a description of the assets likely to be utilised by reference to probable future taxable profit and by reference to the reversion of deferred tax liabilities relating to income taxes levied by the same taxation authority;
 3. (c) with regard to net deferred taxes assets calculated as the difference between the amount of deferred tax assets which has been recognised and the amount of deferred tax liabilities, all of the following information:
 1. (i) confirmation that those net deferred tax assets are available as items of basic own funds classified as Tier 3 in accordance with Own Funds 3F.1(1)(c);
 2. (ii) a description of the amount of those net deferred tax assets that are recognised as eligible own funds, applying the eligibility limits set out in Own Funds 4 and 4A; and
 3. (iii) where the amount of deferred tax assets is material, a description of the underlying assumptions used for the projection of probable future taxable profit for the purposes of Valuation 11.

3.5B

For the purposes of 3.5A(7), the names of the counterparties shall not be disclosed where such disclosure is legally not possible or impracticable or where the counterparties concerned are not material.

3.6

In addition to the requirements of 3.6A and 3.6B below, the disclosure required by 3.3(5)(b) must include the following:

1. (1) the amount of the _SCR_ calculated by the _firm_ using the _standard formula_ or, where the _firm_ has received internal model permission, the amount of the _SCR_ calculated using its _internal model_ and, where applicable in the case of a _partial internal model_, the _standard formula_;
2. (2) except for any capital add-on imposed because of an internal model residual deviation, the amount of any _capital add-on_ imposed upon the _firm_ by the _PRA_ together with concise information on the justification given by the _PRA_ for its imposition; and
3. (3) the impact of any _undertaking specific parameters_ the _firm_ is required to use in calculating the _standard formula_ by the _PRA_ together with concise information on the justification given by the _PRA_ for requiring the use of those _undertaking specific parameters_.

[Note: Art. 51(2) of the _Solvency II Directive_]

3.6A

For the purposes of the disclosure required by 3.3(5)(b), the disclosure of the amount of the SCR calculated using the firm's internal model under 3.6(1) and of the SCR split by risk categories under 3.6B(2) may include any capital add-on imposed because of an internal model residual deviation.

3.6B

For the purposes of 3.3(5)(b), the SFCR must include the following information regarding the SCR and the MCR of the firm:

1. (1) the amounts of the firm's SCR and the MCR at the end of the reporting period;
2. (2) the amount of the firm's SCR split by risk modules where the firm applies the standard formula, and by risk categories where the firm applies an internal model;
3. (3) information on whether and for which risk modules and sub-modules of the standard formula that firm is using simplified calculations;
4. (4) where the firm has been granted a USP Permission, information on whether and for which standard parameters of the standard formula the firm is using undertaking specific parameters;
5. (5) information on the inputs used by the firm to calculate the MCR;
6. (6) any material change to the SCR and to the MCR over the reporting period, and the reasons for any such change; and
7. (7) information regarding the loss-absorbing capacity of deferred taxes, that shall contain the amount with which the SCR has been adjusted for the loss-absorbing capacity of deferred taxes, and a description of the deferred tax liabilities, carry-back and probable future taxable profit used to demonstrate likely utilisation.

3.7

The disclosure of the _SCR_ required by 3.3(5)(b) must be accompanied, where applicable, with a statement indicating that the final amount of the _SCR_ is subject to supervisory assessment.

[Note: Art. 51(2) of the _Solvency II Directive_]

3.7A

In addition to the disclosure required by 3.3(5)(c), where an internal model is used to calculate the SCR, the SFCR shall also include the following information:

1. (1) a description of the various purposes for which the firm is using its internal model;
2. (2) a description of the scope of the internal model in terms of business units and risk categories;

3. (3) where a partial internal model is used, a description of the technique which has been used to integrate any partial internal model into the standard formula including, where relevant, a description of alternative techniques used;
4. (4) a description of the methods used in the internal model for the calculation of the probability distribution forecast and the SCR;
5. (5) an explanation, by risk module, of the main differences in the methodologies and underlying assumptions used in the standard formula and in the internal model;
6. (6) the risk measure and time period used in the internal model, and where they are not the same as those set out in Solvency Capital Requirement ? General Provisions 3.3, an explanation of how the SCR calculated using the internal model provides policyholders and beneficiaries with a level of protection equivalent to that set out in Solvency Capital Requirement ? General Provisions 3; and
7. (7) a description of the nature and appropriateness of the data used in the internal model.

3.7B

In addition to the disclosure required by 3.3(5)(d), the SFCR shall include the following information regarding any non-compliance with the MCR or significant non-compliance with the SCR of the firm:

1. (1) where non-compliance with the firm's MCR has not been subsequently resolved: the amount of the non-compliance at the reporting date; and
2. (2) where a significant non-compliance with the firm's SCR has not been subsequently resolved: the amount of the non-compliance at the reporting date.

3.7C

The SFCR shall include any other material information, in a separate section, regarding the capital management of the firm.

3.8

Where a _firm_ , in its _SFCR_ , makes use of, or refers to, public disclosures made by the _firm_ under other legal or regulatory requirements, those disclosures must be equivalent to the information required to be disclosed under 3.3 to 3.7, in both their nature and scope.

[Note: Art. 53(3) of the _Solvency II Directive_]

3.9

As soon as the SFCR, as well as any updated version of that report, is disclosed by a firm it shall be submitted to the PRA.

3.10

Where a firm discloses publicly, any information or explanation related to their solvency and financial condition whose public disclosure is not required in accordance with this Rulebook, the firm shall ensure that such additional information is consistent with any information provided to the PRA pursuant to 2.1 to 2.5.

Article 3: Currency

1\.

For the purposes of this Chapter, 'reporting currency' shall be:

1. (a) for individual disclosure, the currency used for the preparation of the firm's financial statements;
2. (b) for group disclosure, the currency used for the preparation of the consolidated financial statements.

2\.

Figures reflecting monetary amounts must be disclosed in the reporting currency. Any other currency than the reporting currency must be converted into the reporting currency.

3\.

When expressing the value of any asset or liability denominated in a currency other than the reporting currency, the value must be converted in the reporting currency as if the conversion had taken place at the closing rate on the last day for which the appropriate rate is available in the reporting period to which the asset or liability relates.

4\.

When expressing the value of any income or expense, the value must be converted in the reporting currency using such basis of conversion as that used for accounting purposes.

5\.

The conversion into the reporting currency must be calculated by applying the exchange rate from the same source as used for the firm's financial statements in the case of individual reporting or for the consolidated financial statements in the case of group reporting.

Article 3B: Means of Disclosure of the Solvency and Financial Condition Report

The following must apply to the disclosure of (i) the SFCR; and (ii) the SFCR at the level of the group and single SFCR

as provided for in Group Supervision 18.

1\.

Where a firm owns and maintain a website related to their business, the SFCR shall be disclosed on that website.

2\.

Where a firm does not own and maintain a website but is a member of a trade association which does own and maintain a website, the SFCR shall, where permitted by that trade association, be disclosed on the website of that association.

3\.

Where a firm discloses their SFCR on a website in accordance with Article 3B(1) or (2) of Chapter 3A, that report shall remain available on that website for at least five years after the disclosure date referred to in 2.5B(12).

4\.

Where a firm does not disclose their SFCR on a website in accordance with Article 3B(1) or (2) of Chapter 3A, they shall send an electronic copy of their report to any person who, within five years of the disclosure date referred to in 2.5B(12) requests the report. A firm shall send the report within 10 business days from that request.

5\.

A firm shall, irrespective of whether the firm's SFCR has been made available on a website in accordance with Article 3B(1) or (2) of Chapter 3A, send, to any person who so requests within two years of the disclosure date referred to in 2.5B(12), a printed copy of their report within 20 business days from that request.

6\.

Subject to 2.13, a firm shall submit to the PRA their SFCR, and any updated version of their SFCR, in electronic form.

Article 7A: Additional Information Required for the Group SFCR

1\.

The SFCR at the level of the group, as provided for in Group Supervision 18.1(1) shall include the following information regarding:

1. (a) the group's business and performance, in addition to the provisions of 3.3(1) and 3.3A:
 1. (i) a description of the legal structure and the governance and organisational structure of the group, with a description of all subsidiaries, material related undertakings and significant branches; and
 2. (ii) qualitative and quantitative information on relevant operations and transactions within the group.
2. (b) the group's system of governance in addition to the provisions of 3.3(2) and 3.3B:
 1. (i) a description of how the risk management and internal controls and reporting procedures are implemented consistently as required by Group Supervision 17.1(2);
 2. (ii) where applicable, a statement that the firm or the UK holding company has decided to produce a single document covering all of the assessments as provided by Group Supervision 17.2(3); and
 3. (iii) information on any material intra-group outsourcing arrangements.
3. (c) the group's risk profile, in addition to the provisions of 3.3(2), 3.3(3) and 3.3C:
 1. (i) qualitative and quantitative information on any significant risk concentration at group level as provided for in Group Supervision 16.1 and 16.1A;
4. (d) the group's valuation for solvency purposes, in addition to the provisions of 3.3(4), 3.4 and 3.4A:
 1. (i) where the bases, methods and main assumptions used at group level for the valuation for solvency purposes of the group's assets, technical provisions and other liabilities differ materially from those used by any of its subsidiaries for the valuation for solvency purposes of its assets, technical provisions and other liabilities, a quantitative and qualitative explanation of any material differences.
5. (e) the group's capital management, in addition to the provisions of 3.3(5), 3.5 to 3.7C:
 1. (i) whether method 1 or method 2 is used to calculate the group solvency; and where a combination of method 1 or method 2 is used, for which related undertakings method 2 is used;
 2. (ii) qualitative and quantitative information on any significant restriction to the fungibility and transferability of eligible own funds for covering the group SCR;
 3. (iii) where method 1 is used to calculate the group solvency, the amount of the consolidated group SCR, with separate indication of the amounts referred to in Group Supervision 11.2A;
 4. (iv) qualitative and quantitative information on the material sources of group diversification effects;
 5. (v) where applicable, the sum of amounts referred to in Group Supervision 11.3(1)(a) and (b);
 6. (vi) where applicable, a description of the undertakings which are in the scope of any internal model used to calculate the group SCR; and

7. (vii) a description of the main differences, if any, between any internal model used at individual undertaking level and any internal model used to calculate the group SCR.

Article 7F: Single SFCR as Provided for In Groups Supervision 18

1\.

The single SFCR, as provided for in Group Supervision 18.1(2), shall present separately the information which must be disclosed at group level in accordance with Group Supervision 18.1(1) and the information which must be disclosed in accordance with Reporting 3 to 6 for any subsidiary covered by that report.

2\.

The information at group level and the information for any subsidiary covered by the single SFCR, as provided for in Article 7F(1) of Chapter 3A, shall each follow the structure set out in Article 1A of Chapter 3A. Firms may decide, when providing any part of the information to be disclosed for a subsidiary covered, to refer to information at group level,

where that information is equivalent in both nature and scope.

3\.

Where a firm provides a single SFCR in accordance with Group Supervision 18.1(2) in respect of some of their subsidiaries only, the following obligations shall apply:

1. (a) the other insurance undertakings which are subsidiaries of that firm shall include in their SFCR a reference to the single SFCR disclosed; and
2. (b) the single SFCRs disclosed in accordance with Group Supervision 18.1(2) shall equally include a reference to the SFCR of those other insurance undertakings.

4\.

Where firms do not provide a single SFCR, the insurance undertakings which are subsidiaries of that firm shall include in their SFCR a reference to the SFCRs at the level of the group disclosed in accordance with Group Supervision 18.1(1).

Permitted Non-Disclosure: Solvency and Financial Condition Report

4.1

Where a _firm_ is granted a _waiver_ by the _PRA_ permitting the _firm_ not to disclose information otherwise required to be disclosed pursuant to 3.3(1) to (4) and 3.4 in its _SFCR_, the _firm_ must make a statement to this effect in its _SFCR_ and state whether the non-disclosure is permitted because:

1. (1) the disclosure of that information would enable competitors of the _firm_ to gain a significant, undue advantage; or
2. (2) the _firm_ has obligations to _policyholders_ or other counterparty relationships which bind the _firm_ to secrecy or confidentiality.

[Note: Art. 53(1) and Art. 53(2) of the _Solvency II Directive_]

4.2

A firm shall notify the PRA as soon as the reason for any non-disclosure, which is the subject of a waiver, as provided for in 4.1, ceases to exist.

5

Updates and Additional Voluntary Information: Solvency and Financial Condition Report

5.1

In the event of any major development affecting significantly the relevance of the information disclosed in accordance with:

1. (1) 3.3 to 3.8;
2. (1a) Group Supervision 18; or
3. (2) 4.1;

a firm must disclose publicly appropriate information on the nature and effects of that major development.

[Note: Art. 54(1) of the Solvency II Directive]

5.1A

Where the circumstances described in 5.1 arise, a firm must publish an updated version of their SFCR in accordance with 5.1B. Reporting 3.2 to 3.7C, 3.10, and, where applicable, Articles 7A to 7C, 7F(1) to (2) of Chapter 3A, shall apply to that updated version.

5.1B

Without prejudice to any disclosure which must be immediately provided by a firm in accordance with the requirements of 5.1, 5.2 to 5.5, any updated version of the SFCR must be disclosed as soon as possible after the major development referred to in 5.1A, in accordance with the provisions set out in Article 3B of Chapter 3A.

5.1C

Notwithstanding 5.1A and 5.1B, a firm may decide, for the purposes of Article 3B(5) of Chapter 3A, to disclose appropriate information on the nature and effects of any major development significantly affecting the relevance of their SFCR in the form of amendments supplementing the initial report.

5.2

Without limiting the general application of 5.1, for the purposes of that rule the following will be regarded as a major development:

1. (1) non-compliance with the MCR by the firm and either the PRA considers that the firm will not be able to submit, or the PRA does not receive within one month of the date of observation by the firm of non-compliance with the MCR, a finance scheme in accordance with Undertakings in Difficulty 4.1; and
2. (2) significant non-compliance with the SCR by the firm and the PRA does not receive, within two months from the date when non-compliance with the SCR was first observed by the firm, a recovery plan as required by Undertakings in Difficulty 3.1(2).

[Note: Art. 54(1) of the Solvency II Directive]

5.3

Where the circumstances described in 5.2(1) or 5.2(2) arise, the firm must immediately publicly disclose the amount of non-compliance with the MCR or SCR as the case may be, together with an explanation of the origin and consequences of that non-compliance, and a description of any remedial measures taken.

[Note: Art. 54(1) of the _Solvency II Directive_]

5.4

Where compliance with the _MCR_ has not been restored by a _firm_ within three _months_ after the first observation of non-compliance by the _firm_ , then the _firm_ must publicly disclose at the end of that three-_month_ period the non-compliance with the _MCR_ , together with an explanation of the origin and consequences of that non-compliance, a description of any remedial measures taken and of any further remedial measures planned.

[Note: Art. 54(1) of the _Solvency II Directive_]

5.5

Where compliance with the _SCR_ has not been restored by a _firm_ within six _months_ after the first observation of non-compliance by the _firm_ , then the _firm_ must publicly disclose at the end of that six-_month_ period the non-compliance with the _SCR_ , together with an explanation of the origin and consequences of that non-compliance, a description of any remedial measures taken and of any further remedial measures planned.

[Note: Art. 54(1) of the _Solvency II Directive_]

6

Policy and Approval: Solvency and Financial Condition Report

6.1

A _firm_ must have in place:

1. (1) appropriate systems and structures to fulfil the requirements of 3 to 5; and
2. (2) a written policy ensuring the ongoing appropriateness of any information disclosed:
 1. (a) in accordance with the requirements referred to in (1); and
 2. (b) on a voluntary basis as further information or explanation related to the _SFCR_ which is not already required to be disclosed.

[Note: Art. 55(1) of the _Solvency II Directive_]

6.2

A _firm_ must ensure that its _SFCR_ is:

1. (1) subject to approval by its _governing body_ ; and
2. (2) not publicly disclosed until the approval referred to in (1) is received.

[Note: Art. 55(2) of the _Solvency II Directive_]

Lloyd's

7.1

A _managing agent_ must, as promptly as possible, submit any information to the _Society_ that is necessary for the _Society_ to comply with its obligations in this Part.

7.2

The information in 7.1 must be submitted in the form that the _Society_ requires.

7.3

The _Society_ must provide to the _PRA_ in electronic format the _Lloyd's templates_ it receives from each _managing agent_ on behalf of each respective _syndicate_ that the _managing agent_ manages at the same time it submits its templates required by paragraph 6 of Article 21A of Chapter 2A.
